Season's Greetings from Chamblee Police Department's Special Operations Unit

The Special Operations Unit (made up of two smaller units of Traffic/Motors and Code Enforcement/COPS) would like to remind parents of small children that the unit has several car seat technicians available to advise on how to properly install a child's car seat. Parents can take advantage of the free service by calling for an appointment at 770-986-5005 or sending an email to specialopps@chambleega.com

A Parents Reducing Injuries and Driver Error (P.R.I.D.E.) class also is available through the Special Operations Unit for the soon-to-be driving teen or current teen driver. The two-hour course at the Chamblee Police Department is for 14 to 16 year olds and parents.

The next class is set for **Dec. 7, 2011** at 6 p.m. For more info or to register, email the names of parents and the name, age and school of the child to: specialopps@chambleega.com.
