—FOR IMMEDIATE RELEASE—
CHAMBLEE CELEBRATES TOPPING OUT OF PUBLIC SAFETY BUILDING

September 9, 2020—The City of Chamblee is celebrating the topping out of its new public safety building on Friday, September 11 at 12:00 p.m. Construction began in February of this year on the new facility located at 4445 Buford Highway. Construction partner, Reeves & Young, will have a beam available to be signed by the project team, and it will be installed in the building.

The 50,933 square foot public safety building and 17-acre public park land was purchased in late November 2017. The former Jim Hearn Golf Range will house the Chamblee Police Department, Municipal Court operations and a publicly accessible 2,700 square foot community room. There also will be a new recreational park on this land.

Completion date is scheduled for March 2021, weather permitting. To date, 4,100 linear feet of underground utilities have been installed, 1,390 cubic yards of concrete have been poured and 210 tons of structural steel have been erected.

More information on the project can be found at www.chambleega.gov or by calling 770-986-5010.

###

Located just 14 miles from downtown Atlanta, Chamblee is a vibrant urban city with a diverse community and international flair. The City of Chamblee began as a small rail town and was incorporated in 1908. It has grown to more than seven square miles and nearly 30,000 residents. Chamblee is home to a heavy rail MARTA station, a historic downtown and Antique Row, the vibrant Buford Highway corridor, DeKalb-Peachtree Airport (PDK), the Centers for Disease Control and a thriving business community with a unique sense of entrepreneurship and optimism.
