# Public Safety Building Mural

---

- Comprehensive public engagement with the community, artists and the Chamblee police department.
- RFP process to select an appropriate artist.
- Mural start date: February 2021

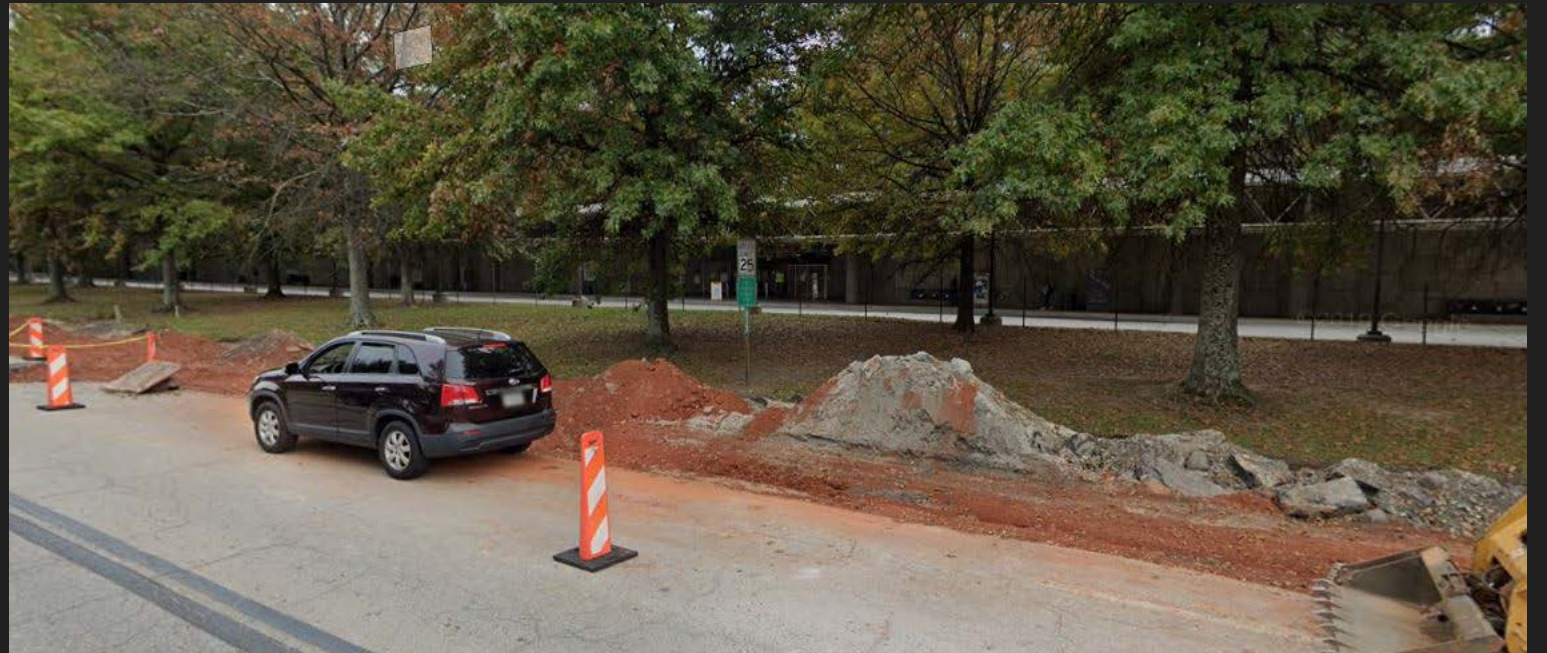

# MARTA Temporary Art Project

---

- Partnership with MARTA  
Artbound, SEFAA, Chamblee  
schools

- Purpose: to celebrate the  
completion of the Peachtree Road  
streetscapes and highlight unused  
space at the MARTA rail station.

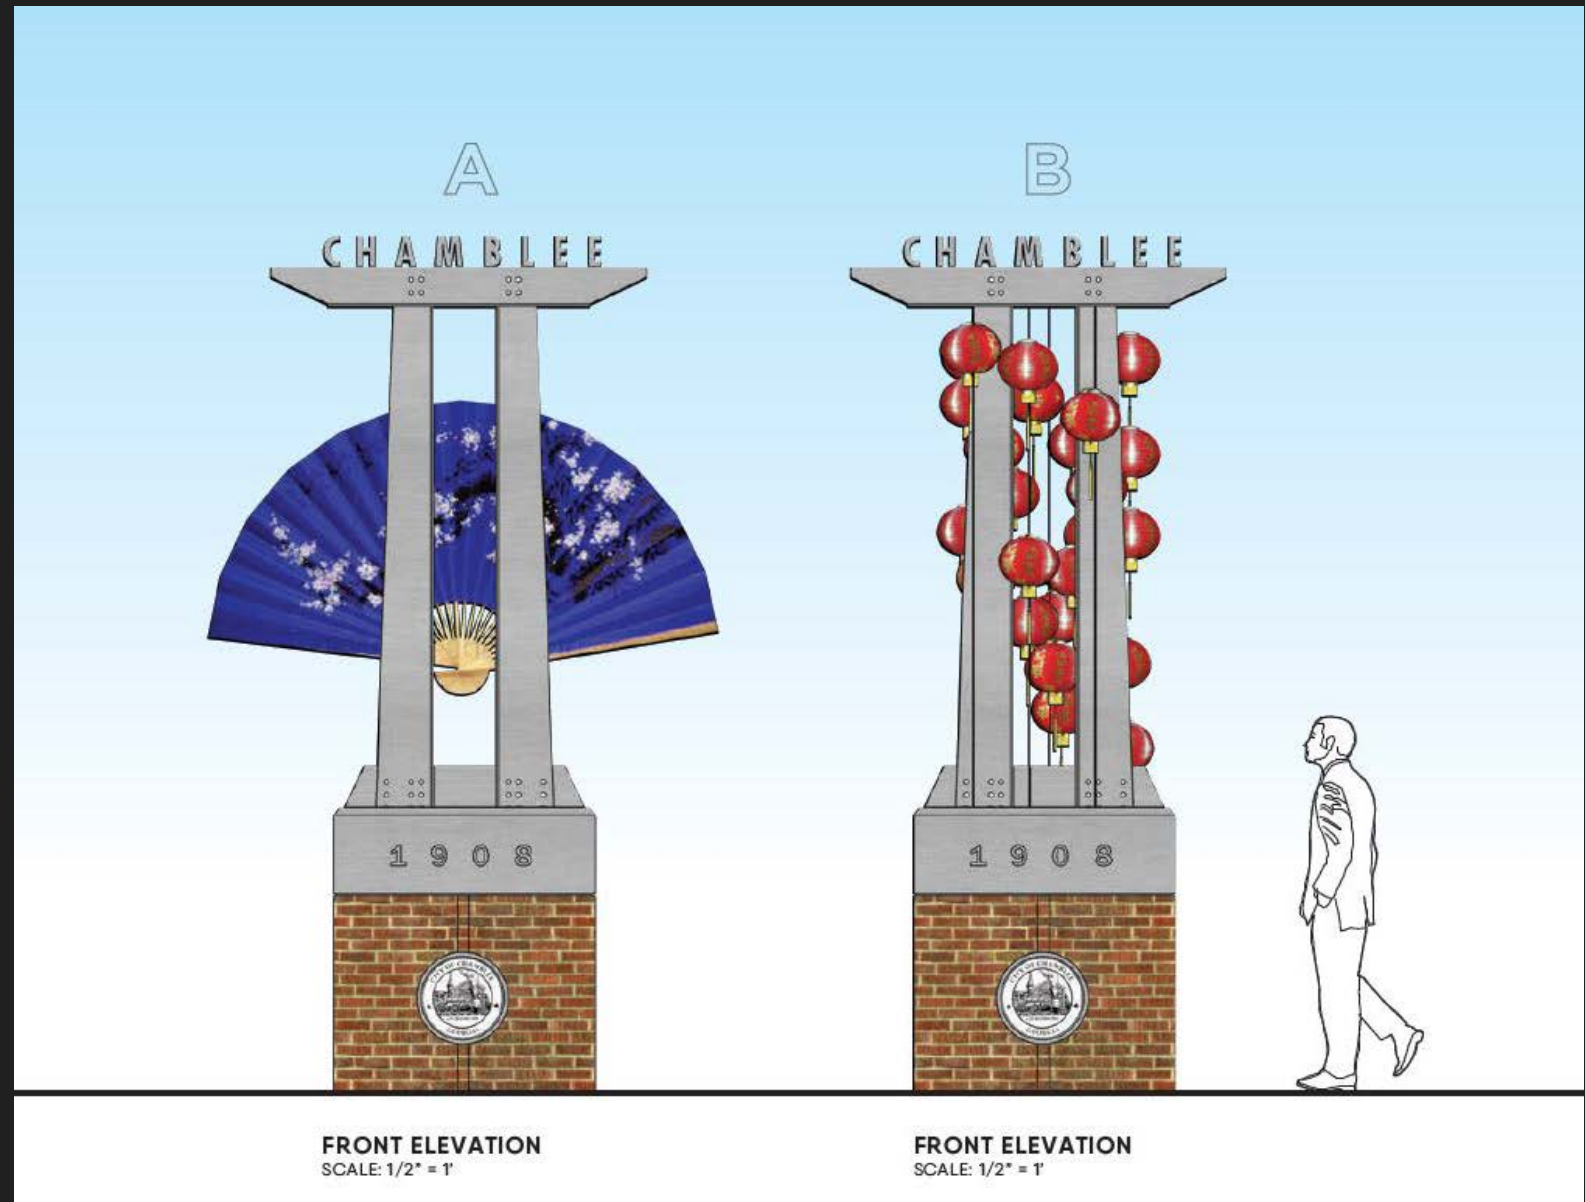

- Wish cards filled out by  
community members will add an  
interactive component.

\* The above concepts are not the final design.

# Buford Highway Gateway Signs

- Latinx and Asian themed designs were created in 2020 by the original Chamblee gateway sign designer.
- 2021 proposal: Build two signs, one Latinx themed and one Asian themed along Buford Highway at proposed locations.
- Funding source: TBD

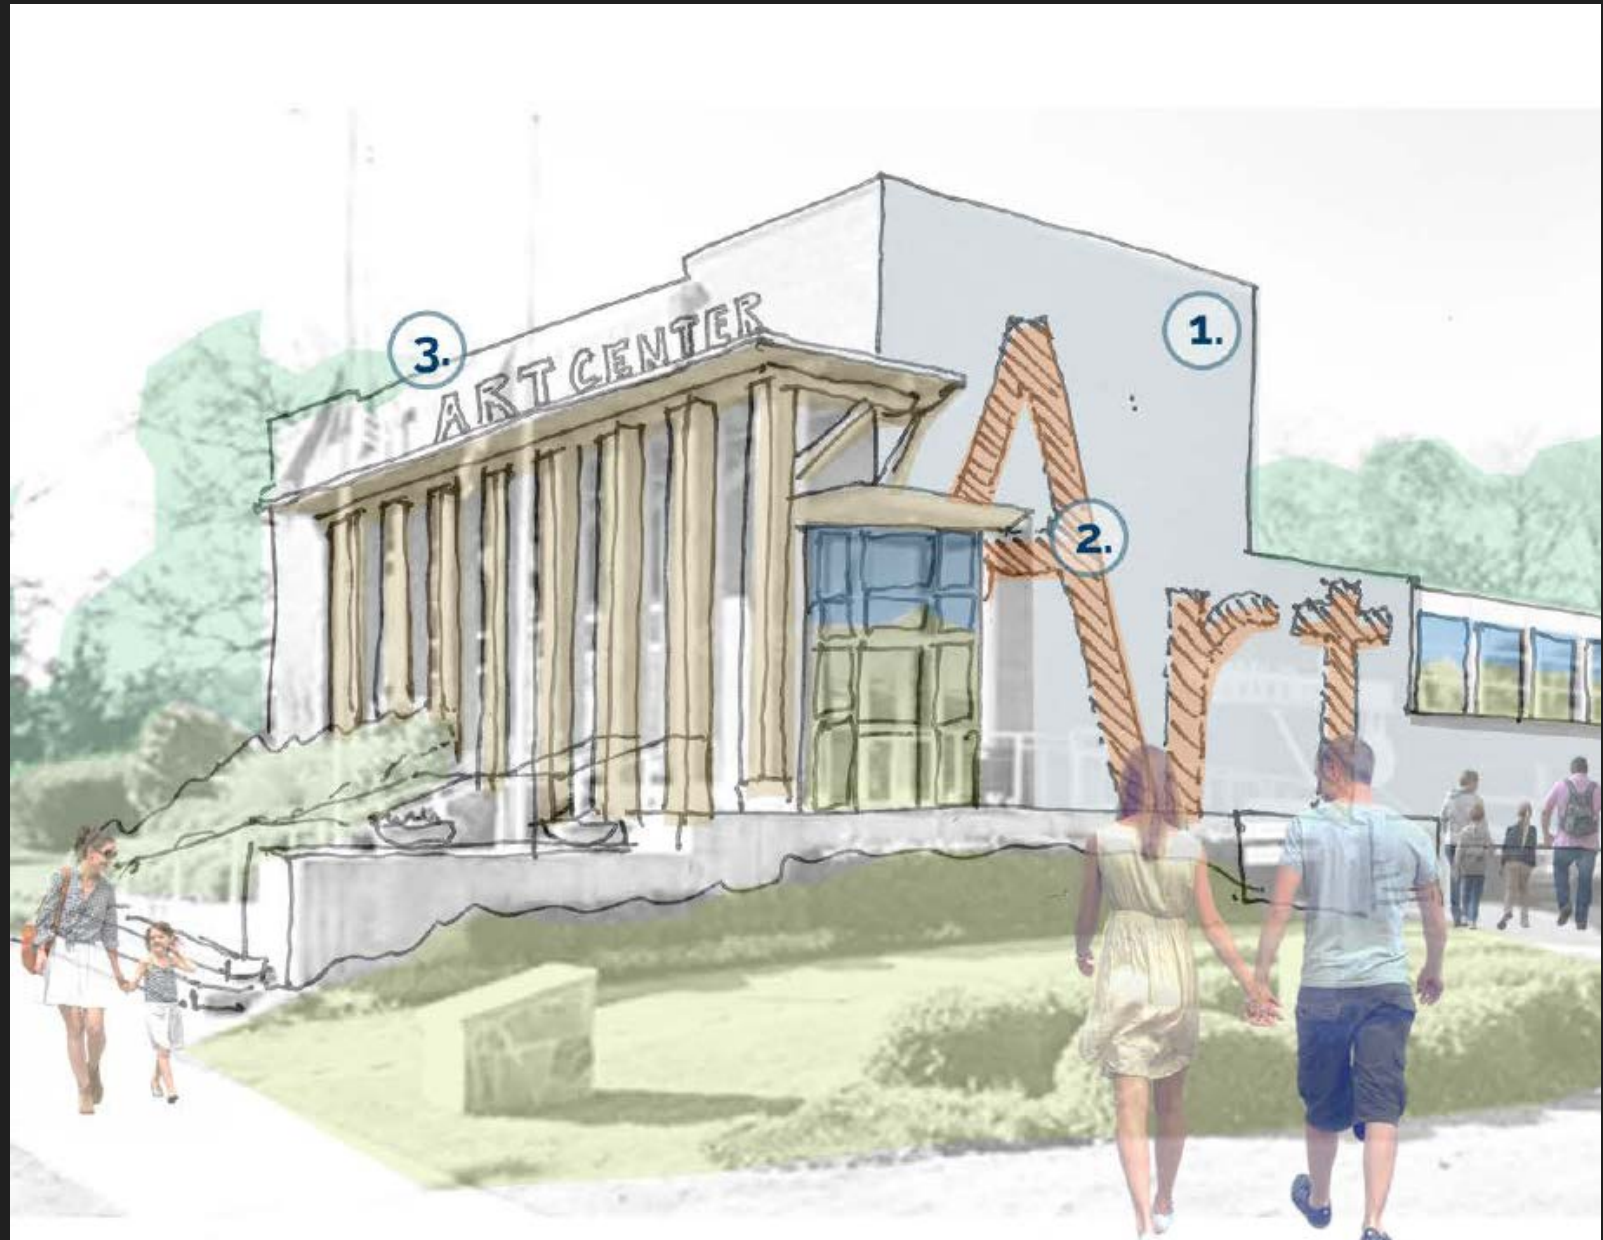

# Arts Center Business Plan

---

- Feasibility and implementation study on transforming the current City Hall building into an arts center.
- Determine the art needs of the Chamblee community.
- The center could potentially include classroom space, a gallery, black box theater and an outdoor sculpture garden.

# Public Art Walking Tour

---

- Provide an inventory of Chamblee's existing public art.
- The map and information about each piece will be available online.
- Postcards with QR code to the online tour will be designed and distributed to promote the tour.
