

Rebecca Keefer, Interim Director of Planning and Development

City of Chamblee

Rebecca Keefer, AICP serves as the Director of Planning and Development for the City of Chamblee. Mrs. Keefer is responsible for overseeing planning and zoning, building permits and inspections, land development activity and code enforcement for the City. She is an experienced professional planner certified by the American Institute of Certified Planners (AICP), with experience working both as a consultant and as a City staff member. She is a capable leader with proven success in effectively steering individuals, teams and major projects.

Rebecca earned a Master's Degree in City and Regional Planning from Georgia Institute of Technology in 2013 and a B.S., in Architecture from Georgia Institute of Technology in 2008. Rebecca has over 12 years of experience in community planning, zoning administration, design development, visioning, master planning, sustainability planning, and public engagement. She diligently works with communities, citizens and her amazing staff to solve problems and develop a best plan for their current and future needs.
